

Pre-School's Weekly Newsletter.

17th November 2023

Spotty

This week we have been going Spotty in Pre-School as we learnt all about patterns.

For Children in Need we made spotty headbands and spotty biscuits that we enjoyed both making and eating

The children loved making icing for our biscuits and talked about how the consistency of the icing sugar changed when we added water to it. It went from a powder to a runny liquid.

Letters and Sounds.

This week we have looked at the phoneme.

t for teeth, toast, tiger and teddy.

On Bertha's Bus we met a tiger and a turtle at the zoo!

We have been orally blending the words t o p - top, t a p - tap, t i n - tin

A big thank you to all the parents that came in and joined us for our phonic sessions this week during Family Learning.

Day and Night

This week the children have been discussing what we do during the day and at night. We sorted the different activities that we would do at night and during the day. We then talked about what happens to the sky when it is daytime and at night-time.

To reinforce our understanding of light and dark the children had great fun playing with our torches outside in the dark den that we made.

Mathematics.

This week on 'Odd Sock' day we decided to look at the different patterns that we can find on socks. We matched our socks and learnt to recognise and name the patterns - stripy and spotty.

For your homework this week we would like you to talk about the different patterns that you can find on your socks at home. Also, can you turn one of your socks into a sock puppet for your child to bring in and show at Pre-school.

Dates for Future Events:

- 15th December -Our Nativity Show at
9.15am and 2.15pm
- 20th December -Our Christmas Party at 12.15pm

Thank you for all your support and donations. We all had a super fun day!
