Happy New Year!

Welcome back!

The return to school for the spring term has been a real success. The children look immaculate in their uniforms and PE kits. Thank you for supporting us with this. We believe that this supports us in living out our school vision of 'growing together, respecting each other.' If you need additional uniforms, we have plenty to spare. Please contact either the office or one of the pastoral team.

This week we had one day when we reached our school attendance target of 96%. This is a fantastic start. Going forward we will be sending home half-termly attendance updates so you know what your child's attendance is.

'Moments Matter, Attendance Counts.' is a government initiative that we will be taking part in to ensure we have the best attendance possible. Research tells us that children who regularly attend school have better outcomes academically, socially and emotionally. If attendance is a challenge for you, please speak to us for support.

Next week we have Parents' Evenings. This is an opportunity for you to talk to your child's class teacher regarding their progress so far this year. You should have received your child's mid-term report by now, if not please speak to your class teacher.
