# Pre-School's Home task 17-11-23

# Patterns and Puppets!

Return by Friday 1st December 2023

### EYFS Objectives

Completing this activity with your child helps them reach these age related expectations:

#### Mathematics:

To talk and identify the patterns around them - stripes, spotty, etc.

Expressive arts and design:

To explore different materials and develop their ideas of what to make. To develop their own ideas.

To join different materials and explore different textures.

This week on 'Odd Sock' day we have looked at different patterns on socks. We sorted and matched the socks according to their pattern. We talked about the patterns that we saw stripy, spotty, wavy, etc.. For their homework could your child look for any of these patterns at home - what patterns can they see on their socks or their other family members' socks? Do you have any spotty ones? Can they name the patterns? In our story Odd Socks the stripy sock was turned into a sock puppet. Could you find an old sock and talk about the type of sock puppet that they want to make? Talk about the materials that they need to use to make their creations.

Please bring their sock puppets into Pre-School so they show everyone their creations.

### Name:

# Let's Get Searching and Making

What patterns did your child recognise and name?

What pattern did they find the most of?

What sort of sock puppet did they decide to make?

What materials did they use?
