

Pre-School's Home task 17-4-24

Ordering Eggs!

Return by Wednesday 1st May

EYFS Objectives

Completing this activity with your child helps them reach these age related expectations:

Communication and Language:

To use a wider range of vocabulary when talking about the size of the eggs.

Mathematics

To order and compare different sizes and talk about them.

Understanding The World

To understand the key features of the life cycle of an animal.

Over the past few weeks we have been reading the story of 'Daisy and the Egg'. We have been looking at eggs and talking about what animals come from eggs. This week the children watched an episode of Come Outside all about eggs.

For their homework could your child order the different sized eggs starting with the largest one. Can they talk about the different sizes that they can see using the language smallest, small, smaller, biggest, bigger, larger, largest.

Can they also tell you what animals they have learnt that hatch from eggs.

Name:

Let's Get Cracking

What animals hatch from an egg?

Ordering the different sized eggs: could they please order them on the back of this sheet.
