

**Colour: KS1**

**Cool colour vocabulary!**

Year 1

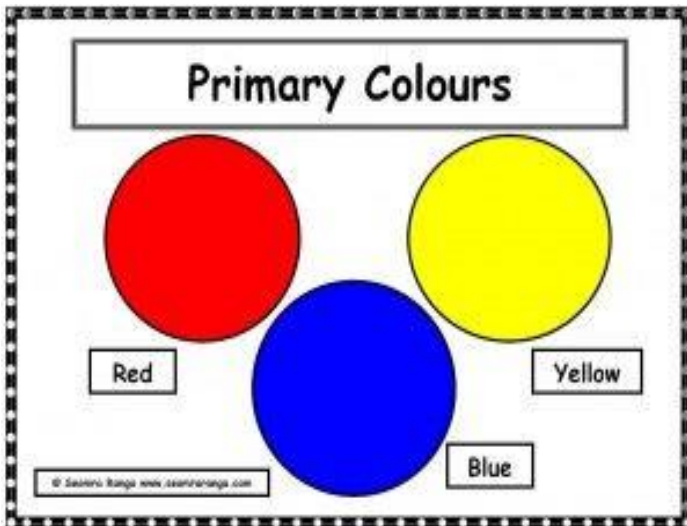

- ✓ Name all of the colours used in their work.
- ✓ Mix colours to create new ones.
- ✓ Find collections of colours – colour wheel (DO not make, just discuss)
- ✓ Apply colour using different tools.

Year 2

- ✓ Begin to describe colours in different objects.
- ✓ Name all primary colours.
- ✓ Darken colours with black.
- ✓ Lighten colours with white.

<b>tools</b>	An object which helps us to complete a task.
<b>mixing colours</b>	Adding two or more colours to make a new one.
<b>describe</b>	Observing what something looks like and discussing this.
<b>primary colour</b>	Colours which cannot be produced by mixing other colours.
<b>darken</b>	Creating a new colour by adding a darker shade such as black.
<b>lighten</b>	Creating a new colour by adding a light shade such as white.
<b>collections</b>	A group of objects often with similar characteristics.

*Pretty primary colours!*

*Terrific tools!*

*Darkening with black & lightening with white!*

*Cool colour mixing!*

**COLOUR MIXING**
