

ATTENDANCE IN 3E

Attendance is important in every year but especially important in Year 3!

It is vital that you are in school and on time every day so that you can learn as much as you can of the new Year 3 skills over the school year, and also so that you can get used to being across on the other side of the school!

In Autumn 1 half term, we came 10th out of 14 classes with an attendance of 96.26%.

Let's try and move even higher up that Top 10 by the end of Autumn 2!

I know we can rise to the challenge, even though some people may have to follow isolation rules – but don't worry, because if you are isolating the register code doesn't affect your attendance figure (because you are doing what the Government have told you to do!)

This half term we have 24 children who have attendance of above 96%, which at Sherdley we consider GOOD.

However we also have 4 children who have attendance below 90%, which we'd really like to improve.

So let's see what we can achieve this half term!

To improve your attendance it is simple.....be in school on time!

Your percentage attendance increases every day that you come into school.
