

Drawing: KS1

Year 1

- ✓ Extend to a variety of drawing tools and explore different textures with these tools.
- ✓ Observe and draw simple landscapes.
- ✓ Observe and create simple patterns.
- ✓ Observe patterns and simple anatomy such as faces and limbs.

Year 2

- ✓ Extend to a variety of drawing tools and varying surfaces.
- ✓ Draw a way of recording my experiences and feelings.
- ✓ Discuss and use shadows, light and dark shading.
- ✓ Develop sketching skills to make quick records of objects.

Delightful drawing vocabulary!

tools	An object which helps us to complete a task.
texture	The feel and appearance of a surface.
observing	Watching or noticing something.
pattern	A repeated, decorative design.
surface	The outside part or top layer of an object.
shadow	A darker area of shape created by blocking the source of light.
shading	Darkening/colouring of a drawing using straight lines which are side by side.
sketch	A rough drawing used to assist in the final piece of artwork.

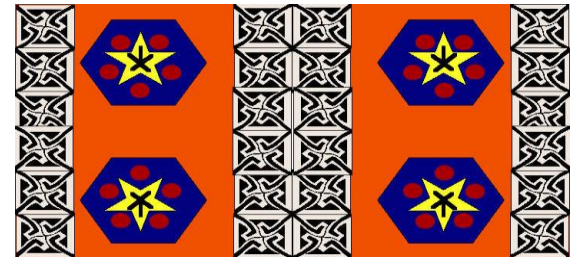

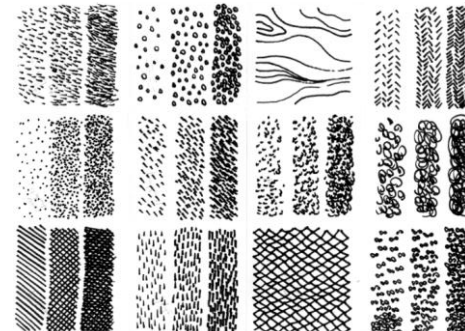

Lowry Landscapes!

Dandy drawing tools!

Super sketching examples!

Pretty pattern examples!
