

Pattern: KS1

Year 1

- ✓ Develop an awareness and discuss different patterns by artists.
- ✓ Create simple repeating patterns using symmetry.

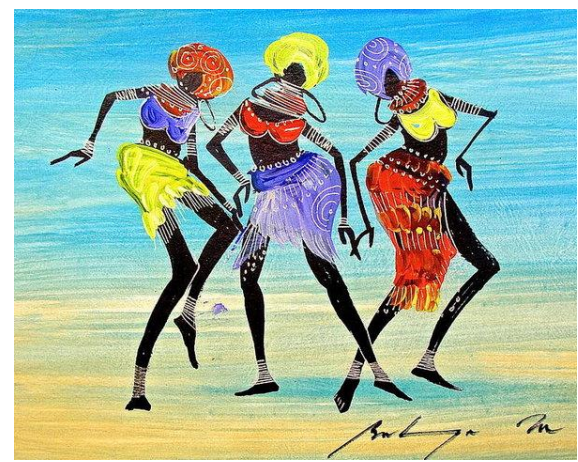

Year 2

- ✓ Experiment and develop own work by arranging, folding, repeating and overlapping.

symmetry	An object or design that has identical, reflected parts through a mirror line.
materials	The objects and substances used to create a piece of artwork.
repeating	The appearance of the same line, colour, shape or other visual element of a design.
patterns	A design consisting of colours, shapes and position in a piece of work. This is often repeated for effect.
overlapping	Placing one or more artistic materials on top of one another.

Symmetrical patterns!
Takashi Murakami patterns!

Martin Bulinya patterns!
