

**Printing: KS1**

Year 1

- ✓ Create simple, repeating and interesting patterns.
- ✓ Develop imprinted images onto paper using a range of tools.

Year 2

- ✓ Print with a growing number of objects and materials.
- ✓ Identify the different forms printing takes.

<b>tools</b>	An object which helps us to complete a task.
<b>materials</b>	The objects and substances used to create a piece of artwork.
<b>printing</b>	A reproduction of an original piece of art done using paint/ink. Often by pressing on top of the original with another material to create a copy.
<b>patterns</b>	A design consisting of colours, shapes and position in a piece of work. This is often repeated for effect.
<b>repeating</b>	The appearance of the same line, colour, shape or other visual element of a design.
