

Texture: KS1

Terrific texture vocabulary!

Year 1

- ✓ Create simple weaving products and samples.
- ✓ Create simple collages using a range of materials and textiles.
- ✓ Sort materials according to their specific qualities.
- ✓ Know and recognise how textiles create products.

Year 2

- ✓ Use overlapping and overlaying to create different effects in collage work.
- ✓ Use large eyed needles to create a simple running stitch.
- ✓ Begin to develop simple applique work.
- ✓ Start to explore different stiches.

weaving	A method in which two pieces of textile or material are interlaced at a right angle.
textiles	A type of cloth or woven fabric.
applique	Needlework where pieces of fabric are sewn or stuck onto larger pieces of fabric to form a picture or pattern.
collage	A piece of artwork made by sticking various different materials onto paper or fabric. This is often layered.
overlapping	Placing one or more artistic materials on top of one another.
