

## **ATTENDANCE IN 3E**

Attendance is important in every year but especially important in Year 3!  
It is vital that you are in school and on time every day so that you can learn as much as you can of the new Year 3 skills over the school year, and also so that you can get used to being across on the other side of the school!

**At the end of the Autumn Term, we came 9th out of 14 classes with an attendance of 96.62%.**

**This is 1 place higher on the Attendance League Table! Well Done!**

**Let's try and move even higher up that Top 10 in Spring Term 1!!**

**I know we can rise to the challenge, even though some people may have to follow isolation rules – but don't worry, because if you are isolating the register code doesn't affect your attendance figure (because you are doing what the Government have told you to do!)**

**At the end of Autumn Term, 21 children had attendance of above 96%, which at Sherdley we consider GOOD. However, this is 3 less than the first half term.**

**We also have 4 children who have attendance below 90%**

**I know we can improve and get back on track!**

**Due to the national lockdown during Spring term, attendance during this time will not count towards the attendance league. It is more important than ever that we aim for OUTSTANDING attendance!! Try to be in school on time, everyday in Summer Term! We can do it!!**

To improve your attendance, be in school and arrive on time!  
Your percentage attendance increases every day that you come into school!
