

Sherdley Primary School

Behaviour Newsletter — Autumn 1

Welcome to Sherdley Primary School's brand new behaviour newsletter! For those of you that don't know me, my name is Miss James! This is my 6th year teaching at Sherdley and I have had the pleasure of working with many of your children over the years. I am now teaching full time in Y6, leading Art/DT across the school and more recently, I have been appointed as our school's behaviour lead! As a school community, we have made some changes to our behaviour policy and it is really important to me that parents are involved with behaviour in school! I will be sending out my behaviour newsletter each half term with regular updates and achievements in relation to behaviour. In the meantime, if you would like to query anything at all in relation to behaviour, please do not hesitate to contact me!

As a school, we are working towards two accreditations! One based on **SEND** and the other based on **Well-being!** Ask one of the behaviour team for more details about our journey towards these amazing achievements!

Sherdley Primary School

Behaviour Newsletter — Autumn 1

This September, we as a school have made some key changes to the ways in which we manage behaviour. The biggest change being the introduction of 2 new systems! **Trackit Lights** and our new **Sherdley House System!** Please see all the details you need to know below! As previously mentioned, if you have any queries, please do not hesitate to ask!

Trackit Lights, is our new whole school., consistent approach to behaviour. All teachers have a **Trackit Light** class list on their whiteboards at all times! Children can collect house points for positive, green behaviours!

| Behaviour | Points this year |
|---------------|------------------|
| Aisha Kattan | 0 |
| Ajay Robinson | 0 |
| Alex Phillips | 0 |
| Amber Jackson | 0 |
| Asha Williams | 0 |

Our new stages for behaviour are displayed here! These stages, along with many other crucial pieces of information, are detailed in our new 'Positive Behaviour Policy.' You can find this on our website!

| | |
|---------------------------|--|
| | Children will earn house points for green , positive behaviours! There are more details on all our school behaviours (green , orange , yellow and red) in our Positive Behaviour Policy. |
| Non-Verbal Warning | If children display unacceptable behaviour, they will be given a non-verbal warning. This could be a shake of the head or a moved seat. |
| Verbal Warning | If children continue to display unacceptable behaviour, they will be given a verbal warning. |
| | If unacceptable behaviour continues, the children will be moved to orange on Trackit Lights. Orange is a final warning. Orange carries NO loss of house points. |
| | If unacceptable behaviour is repeated , the children will be moved to yellow on Trackit Lights. This means they will lose 1 house point and will spend 15 or 30 minutes in reflection time. Parents will receive a message to inform them that their child has spent time in reflection. |
| | If unacceptable behaviour persists , the children will be moved to red on Trackit Lights. This means they will lose 2 house points and will spend their whole lunchtime in reflection . Parents will receive a message to inform them that their child has spent time in reflection. |

When the children reach a certain number of house points, they will receive a special certificate! If the children reach platinum or diamond, they will receive a prize!

| | |
|-----------------|------------|
| BRONZE | 50 |
| SILVER | 200 |
| GOLD | 500 |
| PLATINUM | TBA |
| DIAMOND | TBA |

Sherdley Primary School

Behaviour Newsletter — Autumn 1

Another huge change this year is our brand new Sherdley House System! Before we finished for the summer, the children worked super hard to create names for all 6 of our houses! They are also currently designing crests too! The winning houses and colours are below! All children and staff are now part of a house. I will be announcing house captains (Y6) and deputy house captains (Y5) after October half term, so watch this space!

Based on a red rose (the Saints colour!) and our very own Sherdley Park!

Based on our school field and our dandelion art project!

Based on Lea Green and our very own Sherdley tree!

Based on Mill Dam and the swans who live there!

Based on our coal mining history and The Dream sculpture!

Based on New Street and Sutton Mill Dam!
